Biografy

Status Quo, also known as The Quo or simply Quo, is an English rock band whose music is characterized by a strong boogiewoogie style. The band has achieved more than 60 hits in the UK, more than any other rock band (22 singles reached the top ten in the United Kingdom). The band has its own distinctive style of a few chords, easy lyrics and a solid rhythm and had huge hits worldwide including Mean Girl, Paper Plane, Caroline, Down Down, Break the Rules, Whatever You Want, Rockin' All Over the World, The Wanderer en In the Army Now. The biggest hit was in 1975 with the live version of Roll over lay down, from the album Hello! (1973).

Status Quo Forever (SQF) was founded after a publication on Facebook in April 2017 and consists of excellent musicians with years of experience. From the start, the ambitions were clear: to become the best Status Quo Tribute in Europe. Already during the first rehearsals it was clear that this was not an empty promise, the musicians of Status Quo Forever have worked very hard. With fiddling you will never be the best!

Status Quo Forever has no dream, Status Quo Forever has a plan!

Meanwhile, Status Quo Forever has already proved on numerous stages that the promise has definitely been fulfilled. Quo fans praise the energy, enthusiasm and perfection with which the songs are performed. In their own words brings them back to the heyday of Status Quo, from the late sixties to the beginning of the eighties (the so-called Frantic Four period). Also the audience, that is not very familiar with the legacy of Status Quo, is surprised by the large number of hits and the accessibility of the lesser known songs.

Expect a memorable performance from Status Quo Forever with the energy and rawness that Status Quo is known for but that also honours the harmonious vocals and the perfectly matched guitar playing of front men Rossi / Parfitt. All the big hits will be heard as well, especially for the fans, lesser known gems such as **Mystery Song, Big Fat Mama, Softer Ride, Rolling Home** and **4500 Times**. Status Quo Forever can draw from a repertoire of at least 35 songs and guarantees an excellent sound (own sound engineer) and a balanced light show.
